

€ 6,000,000,000

Euro Medium Term Note Programme

Under the Euro Medium Term Note Programme described in this Prospectus (the “**Programme**”), Groupe Auchan S.A. (“**Groupe Auchan**” or an “**Issuer**”) and Banque Accord S.A. (“**Banque Accord**” or an “**Issuer**” and, together with Groupe Auchan, the “**Issuers**”), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the “**Notes**”). The aggregate nominal amount of Notes under this Programme is €6,000,000,000 (or the equivalent in other currencies), subject to increase as set out in the Amended and Restated Dealer Agreement to be signed between the Issuers and the Dealers. This Prospectus replaces and supersedes the Prospectus dated 10 October 2008 as supplemented by a First Supplement dated 27 March 2009.

For the avoidance of doubt, any Notes issued under the Programme on or after the date of this Prospectus are issued subject to the provisions described herein. This does not affect any Notes already in issue.

Application may be made (i) to the Luxembourg Stock Exchange during a period of twelve (12) months after the date of this Prospectus for Notes issued under the Programme to be listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the regulated market of the Luxembourg Stock Exchange and/or (ii) to the competent authority of any other Member State of the European Economic Area (“**EEA**”) for Notes issued under the Programme to be listed and admitted to trading on a Regulated Market (as defined below) in such Member State. The regulated market of the Luxembourg Stock Exchange is a regulated market for the purposes of the Investment Services Directive 2004/39/EC on financial instruments markets (a “**Regulated Market**”). However, Notes may be issued pursuant to the Programme which are not listed and admitted to trading on any Regulated Market. The relevant final terms (the “**Final Terms**”) (the substantial form of which is contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be listed and admitted to trading on any Regulated Market, and, if so, the relevant Regulated Market in the EEA. Application has been made to the Commission de surveillance du secteur financier in Luxembourg for approval of this Prospectus in its capacity as competent authority under the loi relative aux prospectus pour valeurs mobilières dated 10 July 2005.

Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”), as more fully described herein.

Dematerialised Notes will at all times be in book entry form in compliance with Article L.211-3 of the French Code monétaire et financier. No physical documents of title will be issued in respect of the Dematerialised Notes. Dematerialised Notes may, at the option of the Issuer, be in bearer form (au porteur) inscribed as from the issue date in the books of Euroclear France (“**Euroclear France**”) (acting as central depository) which shall credit the accounts of Account Holders (as defined in “**Terms and Conditions of the Notes – Form, Denomination, Title and Redenomination**”) including Euroclear Bank S.A./N.V. (“**Euroclear**”) and the depository bank for Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) or in registered form (au nominatif) and, in such latter case, at the option of the relevant Noteholder (as defined in “**Terms and Conditions of the Notes-Form, Denomination, Title and Redenomination**”), in either fully registered form (au nominatif pur), in which case they will be inscribed in an account maintained by the Issuer or by the registration agent (designated in the relevant Final Terms) for the Issuer, or in administered registered form (au nominatif administré) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Noteholders.

Materialised Notes will be in bearer form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a “**Temporary Global Certificate**”) will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will be subsequently exchanged for definitive Materialised Notes with, where applicable, coupons for interest or talons attached on or after a date expected to be on or about the 40th day after the issue date of the Notes (subject to postponement as described in “**Temporary Global Certificates issued in respect of Materialised Notes**”) upon certification as to non-U.S. beneficial ownership as more fully described herein. Temporary Global Certificates will (a) in the case of a Tranche (as defined below) intended to be cleared through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depository on behalf of Euroclear and/or Clearstream, Luxembourg or (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer (as defined below).

Notes issued under the Programme may be rated or unrated. The rating, if any, will be specified in the relevant Final Terms. Credit ratings are subject to revision, suspension or withdrawal at any time by the relevant rating organisation. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

*This document (together with all supplements thereto from time to time) constitutes two base prospectuses for the purposes of Article 5.4 of the Prospectus Directive: (i) the base prospectus for Groupe Auchan and (ii) the base prospectus for Banque Accord (together, the “**Prospectus**”).*

The final terms of the relevant Notes will be determined at the time of the offering of each Tranche based on then prevailing market conditions and will be set out in the relevant Final Terms. In relation to each Tranche of Notes, the Prospectus must be read with the applicable Final Terms.

This Prospectus is to be read in conjunction with all documents which are or may be incorporated herein by reference in accordance with Article 15 of the Loi relative aux prospectus pour valeurs mobilières dated 10 July 2005 and Article 28 of the European Commission Regulation n°809/2004 dated 29 April 2004 (see “Documents Incorporated by Reference” below).

No person is or has been authorised to give any information or to make any representation other than those contained in this Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by Groupe Auchan or Banque Accord, or any of the Dealers (each as defined in “General Description of the Programme”). Neither the delivery of this Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of Groupe Auchan or Banque Accord, as the case may be, or those of the Auchan Group since the date hereof or the date upon which this Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of either Groupe Auchan or Banque Accord, as the case may be, or that of the Auchan Group since the date hereof or the date upon which this Prospectus has been most recently supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

*For the avoidance of doubt, the “**Auchan Group**” means the Issuers and any legal person within each of the Issuers’ scope of consolidation which is directly or indirectly under the control of the Issuers within the meaning of Article L.233-3 of the French Commercial Code.*

*The distribution of this Prospectus and of any final terms under the Programme, and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by Groupe Auchan, Banque Accord and the Dealers to inform themselves about and to observe any such restriction. The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”) or with any securities regulatory authority of any state or other jurisdiction of the United States, and the Notes may include Materialised Notes in bearer form that are subject to U.S. federal income tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to the account or benefit of U.S. persons. The Notes are being offered and sold outside the United States of America to non-U.S. persons in reliance on Regulation S under the Securities Act. For a description of these and certain further restrictions on offers and sales of Notes and on distribution of this Prospectus, see “Subscription and Sale”.*

This Prospectus does not constitute an offer of, or an invitation by or on behalf of Groupe Auchan, Banque Accord or the Dealers to subscribe for, or purchase, any Notes.

The Dealers have not separately verified the information contained in this Prospectus. None of the Dealers makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Prospectus. Neither this Prospectus nor any other information incorporated by reference are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of Groupe Auchan, Banque Accord or the Dealers that any recipient of this Prospectus or any other information incorporated by reference should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Prospectus and its purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers undertakes to review the financial condition or affairs of Groupe Auchan, Banque Accord or the Auchan Group during the life of the arrangements contemplated by this Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers.

*In connection with the issue of any Tranche (as defined in Condition 1(e) of the Terms and Conditions of the Notes), the Dealer or Dealers (if any) named as the stabilising manager(s) (the “**Stabilising Manager(s)**”) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager(s)) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the Final Terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of thirty (30) days after the issue date of the relevant Tranche and sixty (60) days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment shall be conducted in accordance with all applicable laws and rules.*

RISK FACTORS

The following sets out certain aspects of the offering of the Notes of which prospective investors should be aware and which may affect the Issuer's ability to fulfil its obligations under the Notes. Prior to making an investment decision, prospective investors should consider carefully all of the information set out in this Prospectus, including in particular the following risk factors detailed below. This summary is not intended to be exhaustive and prospective investors should make their own independent evaluation of all risk factors and should also read the detailed information set out elsewhere in this Base Prospectus, including any Documents Incorporated by Reference herein (as further described in "Documents Incorporated by Reference" below), and reach their own views prior to making any investment decision. There may be other risks which are not known to the Issuer or which may not be material now but could turn out to be material.

The Issuers believe that the following factors may affect their ability to fulfil their obligations under Notes issued under the Programme. All of these factors are contingencies which may or may not occur and the Issuers are not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which the Issuers believe are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuers believe that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme.. Prospective investors should however read the detailed information set out elsewhere in this Base Prospectus (including any documents deemed to be incorporated by reference herein) and reach their own views prior to making any investment decision. There may be other risks which are not known to the Issuer or which may not be material now but could turn out to be material.

I. RISK FACTORS RELATING TO THE ISSUERS

A. Risk factors in connection with Groupe Auchan

Risk factors in connection with Groupe Auchan are set out in details on pages 6 to 7 of the 2009 half-yearly Financial report (see section 4 "Risks and Uncertainties") and on pages 50 to 57 (see notes 34.2 to 34.7 included of the "Notes to the consolidated financial statements") of the 2008 Financial report which are incorporated by reference in this Base Prospectus.

B. Risk factors in connection with Banque Accord

Risk factors in connection with Banque Accord are set out in details on pages 26 and 32 of the 2009 half-yearly Financial report (see note 24 of the "Notes to the consolidated financial statements") and on page 15 ("Customer Risk Management"), page 21 ("Management report for the fiscal year ended december 31, 2008", Section V "The principal areas of risk to which Banque Accord is exposed") and pages 53 to 58 (Note 31 "Risk exposure and management" of the Notes to the consolidated financial statements to 31/12/08) of the 2008 Financial report which are incorporated by reference in this Base Prospectus.

II. RISK FACTORS RELATING TO THE NOTES

1. General Risks Relating to the Notes

1.1 Independent Review and Advice

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuers or the Dealer(s) or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

1.2 The Notes may not be a suitable investment for all investors

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its own financial situation, an investment in the Notes and the impact that any such investment will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear the risks of an investment in the Notes, including any currency exchange risk due to the fact that the potential investor's currency is not Euro;
- (d) understand thoroughly the terms of the Notes and be familiar with the behaviour of the financial markets and any relevant indices;
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the risks of such investment; and
- (f) consult its own advisers as to legal, tax and related aspects of an investment in the Notes.

1.3 Modification, waivers and substitution

The Terms and Conditions of the Notes contain provisions for calling General Meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant General Meeting and Noteholders who voted in a manner contrary to the majority in accordance with Article L.228-65 of the French *Code de Commerce*.

1.4 No active Secondary/Trading Market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and forms a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the relevant Issuer. Although in relation to Notes to be listed on the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and/or any other Regulated Market in the European Economic Area, the Final Terms of the Notes will be filed with the *Commission de Surveillance du Secteur Financier* in Luxembourg and/or with the competent authority of the Regulated Market of the European Economic Area where the Notes will be listed and admitted to trading, there is no assurance that such filings will be accepted, that any particular Tranche of Notes will be so listed and admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

1.5 Provision of Information

None of the Issuers, the Dealer(s) or any of their respective affiliates makes any representation as to an index. Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to an index that is or may be material in the context of index-linked Notes. The issue of index-linked Notes will not create any obligation on the part of any such persons to disclose to the Noteholders or any other party such information (whether or not confidential).

1.6 Potential Conflicts of Interest

Each of the Issuers, the Dealer(s) or their respective affiliates may deal with and engage generally in any kind of commercial or investment banking or other business with any issuer of the securities taken up in an index, their respective affiliates or any guarantor or any other person or entities having obligations relating to any issuer of the securities taken up in an index or their respective affiliates or any guarantor in the same manner as if any index-linked Notes issued under the Programme did not exist, regardless of whether any such action might have an adverse effect on an issuer of the securities taken up in the index, any of their respective affiliates or any guarantor.

Each of the Issuers may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may arise between the calculation agent, if any, for a Tranche of Notes and the Noteholders, including with respect to certain discretionary determinations and judgements that such calculation agent may make pursuant to the Terms and Conditions that may influence the amount receivable upon redemption of the Notes.

1.7 Exchange Rates

Prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. The reference assets or the Notes may be denominated in a currency other than the currency of the purchaser's home jurisdiction; and/or the reference assets or the Notes may be denominated in a currency other than the currency in which a purchaser wishes to receive funds. Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Notes or the reference assets.

1.8 Legality of Purchase

Neither the Issuers, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

1.9 Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

1.10 Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for innovative financial notes such as the Notes. Potential investors are advised not to rely upon the tax summary contained in this Prospectus and/or in the Final Terms but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Prospectus and the additional tax sections, if any, contained in the relevant Final Terms.

1.11 EU Savings Directive

The EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the “**Directive**”) requires each Member State as from 1 July 2005 to provide to the tax authorities of another Member State details of payments of interest and other similar income within the meaning of the Directive made by a paying agent within its jurisdiction to (or under circumstances to the benefit of) an individual resident in that other Member State, except that Belgium, Luxembourg and Austria will instead impose a withholding system for a transitional period unless the beneficiary of interest payment elects for the exchange of information.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax.

1.12 Market Value of the Notes

The market value of the Notes will be affected by the creditworthiness of the relevant Issuer and a number of additional factors, including the value of the reference assets or an index, including, but not limited to, the volatility of the reference assets or an index, or the dividend on the securities taken up in the index, market interest and yield rates and the time remaining to the maturity date.

The value of the Notes, the reference assets or the index depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes, the reference assets, the securities taken up in the index, or the index are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. The historical market prices of the reference assets or an index should not be taken as an indication of the reference assets’ or an index’s future performance during the term of any Note.

1.13 Change of Law

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or the official application or interpretation of French law after the date of this Prospectus.

2. Risks related to the structure of a particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes such as, *inter alia*, the provisions for computation of periodic interest payments, if any, redemption and issue price.

2.1 Notes subject to optional redemption by the Issuer

Unless in the case of any particular Tranche of Notes the relevant Final Terms specifies otherwise, in the event that the relevant Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the country of domicile (or residence for tax purposes) by the relevant Issuer, or on behalf of France, or any political subdivision thereof or any authority therein or thereof having power to tax, the relevant Issuer may redeem all outstanding Notes in accordance with the Terms and Conditions.

In addition, if in the case of any particular Tranche of Notes the relevant Final Terms specifies that the Notes are redeemable at the Issuer’s option in certain other circumstances the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. During a period when the Issuer may elect, or has elected, to redeem Notes, such Notes may feature a market value not substantially above the price at which they can be redeemed. In such circumstances an investor may not be able to

reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

2.2 Fixed Rate Notes

Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes.

2.3 Floating Rate Notes

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three (3) months or six (6) months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate.

2.4 Inverse Floating Rate Notes

Investment in Notes which bear interest at an inverse floating rate comprise (i) a fixed base rate minus (ii) a reference rate. The market value of such Notes typically is more volatile than the market value of floating rate Notes based on the same reference rate (and with otherwise comparable terms). Inverse floating rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

2.5 Fixed to Floating Rate Notes

Fixed to floating rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The relevant Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the relevant Issuer converts from a fixed rate to a floating rate, the spread on the fixed to floating Rate Notes may be less favourable than then prevailing spreads on comparable floating rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

2.6 Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

2.7 Index-Linked Notes

Index-linked Notes are debt securities which do not provide for predetermined redemption amounts and/or interest payments but amounts due in respect of principal and/or interest will be dependent upon the performance of an index, which itself may contain substantial credit, interest rate or other risks. The amount of principal and/or interest, if any, payable by the Issuer might be substantially less than the issue price or, as the case may be, the purchase price invested by the Noteholder and may even be zero in which case the Noteholder may lose his entire investment.

Index-linked Notes are not in any way sponsored, endorsed, sold or promoted by the index sponsor or the respective licensor of the index and such index sponsor or licensor makes no warranty or representation whatsoever, express or implied, either as to the results to be obtained from the use of the index and/or the figure at which the index stands at any particular time. Each index is determined, composed and

calculated by its respective index sponsor or licensor, without regard to the relevant Issuer or the Notes. None of the index sponsors or licensors is responsible for or has participated in the determination of the timing of, prices at, or quantities of the Notes to be issued or in determination or calculation of the equation by which the Notes settle into cash. None of the index sponsors or licensors has any obligation or liability in connection with the administration, marketing or trading of the Notes. The index sponsor or licensor of an index has no responsibility for any calculation agency adjustment made for the index.

2.8 Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

2.9 Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

2.10 Structured Notes

An investment in Notes, the premium and/or the interest on or principal of which is determined by reference to one or more values of currencies, commodities, interest rates or other indices or formulae, either directly or inversely, may entail significant risks not associated with similar investments in a conventional debt security, including the risks that the resulting interest rate will be less than that payable on a conventional debt security at the same time and/or that an investor may lose the value of its entire investment or part of it, as the case may be. Neither the current nor the historical value of the relevant currencies, commodities, interest rates or other indices or formulae should be taken as an indication of future performance of such currencies, commodities, interest rates or other indices or formulae during the term of any Note.

2.11 Subordinated Notes

In the event of any insolvency or liquidation of the relevant Issuer, holders of Subordinated Notes would receive payments on any outstanding Subordinated Notes only after senior Noteholders and other senior creditors have been repaid in full, if and to the extent that there is still cash available for those payments. Thus, holders of Subordinated Notes generally face a higher performance risk than holders of senior Notes.

2.12 French Insolvency Law

Under French insolvency law as amended by ordinance n°2008-1345 dated 18 December 2008 which came into force on 15 February 2009 and related order 2009-160 dated 12 February 2009, holders of debt securities are automatically grouped into a single assembly of holders (the Assembly) in order to defend their common interests if a preservation (*procédure de sauvegarde*) or a judicial reorganization procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (such as a Euro Medium Term Note programme) and regardless of their governing law.

The Assembly deliberates on the proposed safeguard (*projet de plan de sauvegarde*) or judicial reorganization plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (charges) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing-off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or

- decide to convert debt securities (including the Notes) into securities that give or may give rights to share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders attending such Assembly or represented thereat). No quorum is required to convoke of the Assembly.

For the avoidance of doubt, the provisions relating to the Meetings of the Noteholders described in the Terms and Conditions of the Notes set out in this Base Prospectus and, as the case may be, the Agency Agreement will not be applicable to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

SUPPLEMENT TO THE PROSPECTUS

If at any time Groupe Auchan or Banque Accord shall be required to prepare a supplement to this Prospectus pursuant to the provisions of Article 16 of the Prospectus Directive 2003/71/EC, Groupe Auchan and/or Banque Accord will prepare and make available an appropriate supplement to this Prospectus or a restated Prospectus, which in respect of any subsequent issue of Notes to be listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange or on a Regulated Market of a Member State of the European Economic Area, shall constitute a supplement to the Prospectus for the purpose of the relevant provisions of the Prospectus Directive 2003/71/EC.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of the relevant Final Terms, shall be applicable to the Notes. In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed, amended or varied by the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (in each case subject to simplification by the deletion of non-applicable provisions), shall be endorsed on Materialised Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are issued by Banque Accord (“**Banque Accord**”, or an “**Issuer**”) and Groupe Auchan (“**Groupe Auchan**” or an “**Issuer**”) and together with Banque Accord, the “**Issuers**”) with the benefit of, as the case may be, an agency agreement (the “**Agency Agreement**”) between the Issuers and the agents named therein. The fiscal agent, the paying agents, the redenomination agent, the consolidation agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Fiscal Agent**”, the “**Paying Agents**” (which expression shall include the Fiscal Agent), the “**Redenomination Agent**”, the “**Consolidation Agent**” and the “**Calculation Agent(s)**”. The specific terms of each issue of Notes will be set out in the final terms to this Prospectus (the “**Final Terms**”). The holders of the interest coupons (the “**Coupons**”) relating to interest bearing Materialised Notes and, where applicable in the case of such Notes, talons (the “**Talons**”) for further Coupons and the holders of the receipts for the payment of instalments of principal (the “**Receipts**”) relating to Materialised Notes of which the principal is redeemable in instalments are respectively referred to below as the “**Couponholders**” and the “**Receipholders**”.

References below to “**Conditions**” are, unless the context requires otherwise, to the numbered paragraphs below.

For the purpose of these Terms and Conditions, “**Regulated Market**” means any regulated market situated in a Member State of the European Economic Area (“**EEA**”) as defined in the Investment Services Directive 2004/39/EC on financial instruments markets.

1 Form, Denomination(s), Title, Redenomination and Method of Issue

- (a) **Form:** Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”), as specified in the relevant Final Terms.
- (i) Title to Dematerialised Notes will be evidenced in accordance with Article L.211-3 *et seq.* of the French *Code monétaire et financier* by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code monétaire et financier*) will be issued in respect of the Dematerialised Notes.

Dematerialised Notes are issued, at the option of the relevant Issuer, in either bearer form (*au porteur*), in which case they are inscribed in the books of Euroclear France (acting as central depositary) (“**Euroclear France**”) which shall credit the accounts of Account Holders, or in registered form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder in either administered registered form (*au nominatif administré*) inscribed in the books of an Account Holder or in fully registered form (*au nominatif pur*) inscribed in an account maintained by the Issuer or the registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the “**Registration Agent**”).

For the purpose of these Conditions, “**Account Holder**” means any authorised financial intermediary institution entitled, either directly or indirectly, to hold accounts on behalf of its customers with Euroclear France, and includes the depositary bank for Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) and Euroclear Bank S.A. / N.V. (“**Euroclear**”).

- (ii) Materialised Notes are issued in bearer form only. Materialised Notes in definitive form (“**Definitive Materialised Notes**”) are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. “**Instalment Notes**” are issued with one or more Receipts attached.

In accordance with Article L.211-3 of the Code, securities (such as Notes constituting obligations under French law) which are governed by French law and are in materialised form must be issued outside the French territory.

- (b) **Denomination(s):** Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the “**Specified Denomination(s)**”) save that the minimum denomination of each Note admitted to trading on a Regulated Market in circumstances which require the publication of a prospectus under the Prospectus Directive will be €50,000 (or its equivalent in any other currency), or such higher amount as may be allowed or required from time to time by the relevant monetary authority or any laws or regulations applicable to the relevant Specified Currency. Dematerialised Notes shall be issued in one Specified Denomination only.

(c) **Title:**

- (i) Title to Dematerialised Notes in bearer form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of Account Holders. Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the relevant Issuer or of the Registration Agent.
- (ii) Title to Definitive Materialised Notes including, where appropriate, Coupons, Receipt(s) and/or a Talon attached, shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note (as defined below), Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of its related Certificate) and no person shall be liable for so treating the holder.
- (iv) In these Conditions, “**holder of Notes**”, “**holder of any Note**” or “**Noteholder**” means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Account Holder or the relevant Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Definitive Materialised Notes, the bearer of any Definitive Materialised Note and the Receipts, Coupons, or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

- (d) **Redenomination:** The relevant Issuer may (if so specified in the relevant Final Terms), on any date, without the consent of the holder of any Note, Coupon or Talon, by giving at least thirty (30) calendar days' notice in accordance with Condition 15 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the "EC"), as amended from time to time (the "Treaty")) or events have occurred which have substantially the same effects (in either case, "EMU"), redenominate all (but not some only) of the Notes of any Series into Euros and adjust the aggregate nominal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly as more fully described in the relevant Final Terms.
- (e) **Method of Issue:** The Notes will be issued on a syndicated or non-syndicated basis. The Notes will be issued in series (each a "Series") having one or more issue dates and on terms otherwise identical (or identical other than in respect of the first payment of interest), the Notes of each Series being intended to be interchangeable with all other Notes of that Series. Each Series may be issued in tranches (each a "Tranche") on the same or different issue dates. The specific terms of each Tranche (which will be supplemented, where necessary, with supplemental terms and conditions and, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the relevant Final Terms.

2 Conversion and Exchanges of Notes

(a) Dematerialised Notes:

- (i) Dematerialised Notes issued in bearer form (*au porteur*) may not be converted for Dematerialised Notes in registered form, whether in fully registered form (*au nominatif pur*) or in administered registered form (*au nominatif administré*).
- (ii) Dematerialised Notes issued in registered form (*au nominatif*) may not be converted for Dematerialised Notes in bearer form (*au porteur*).
- (iii) Dematerialised Notes issued in fully registered form (*au nominatif pur*) may, at the option of the Noteholder, be converted into Notes in administered registered form (*au nominatif administré*), and *vice versa*. The exercise of any such option by such Noteholder shall be made in accordance with Article R.211-4 of the French *Code monétaire et financier*. Any such conversion shall be effected at the cost of such Noteholder.

(b) Materialised Notes:

Materialised Notes of one Specified Denomination may not be exchanged for Materialised Notes of another Specified Denomination.

3 Status

The obligations of each Issuer under the Notes may be either unsubordinated ("Unsubordinated Notes") or subordinated ("Subordinated Notes"), as specified in the relevant Final Terms.

(a) Status of Unsubordinated Notes:

The Unsubordinated Notes and, where applicable, any Receipts and Coupons relating to them constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 4)

unsecured obligations of the relevant Issuer and rank and will at all times rank *pari passu* without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated obligations of the relevant Issuer.

(b) **Status of Subordinated Notes:**

(i) *Subordination:*

Payments of principal in respect of Subordinated Notes (which term shall include both Subordinated Notes with a specified maturity date (“**Dated Subordinated Notes**”) and Subordinated Notes without a specified maturity date (“**Undated Subordinated Notes**”)) are direct, unsecured, unconditional and subordinated obligations of the relevant Issuer and rank and will rank *pari passu* without any preference among themselves and *pari passu* with any other present or future direct, unsecured, unconditional and subordinated obligations of the relevant Issuer with the exception of the *prêts participatifs* granted to the relevant Issuer. If any judgement is rendered by any competent court declaring the judicial liquidation (*liquidation judiciaire*) of the relevant Issuer or if the relevant Issuer is liquidated for any other reason, the rights of payment of the holders of Subordinated Notes shall be subordinated to the payment in full of unsubordinated creditors and, subject to such payment in full, the holders of Subordinated Notes shall be paid in priority to any *prêts participatifs* granted to the relevant Issuer. In the event of incomplete payment of unsubordinated creditors, the obligations of the relevant Issuer in connection with the Subordinated Notes will be terminated. The holders of Subordinated Notes shall take all steps necessary for the orderly accomplishment of any collective proceedings or voluntary liquidation.

(ii) *Dated Subordinated Notes:*

Unless otherwise specified in the relevant Final Terms, payments of interest relating to Dated Subordinated Notes constitute obligations which rank equally with the obligations of the relevant Issuer in respect of Unsubordinated Notes issued by the relevant Issuer in accordance with Condition 3(a).

(iii) *Undated Subordinated Notes:*

Unless otherwise specified in the relevant Final Terms, payments of interest relating to Undated Subordinated Notes may be deferred in accordance with the provisions of Condition 5(h). The use of the proceeds of issues of Undated Subordinated Notes will be set out in the applicable Final Terms.

In respect of Banque Accord, the relevant Final Terms may provide for additions or variations to the Conditions applicable to the Subordinated Notes for the purposes *inter alia* of enabling the proceeds of the issue of such Subordinated Notes to count as (i) *fonds propres complémentaires* within the meaning of Article 4(c) of the *Comité de la Réglementation Bancaire et Financière* (“**CRBF**”) Regulation no. 90-02 of 23 February 1990 as amended (“**Upper Tier 2 Capital**”), (ii) *fonds propres complémentaires* within the meaning of Article 4(d) of the CRBF Regulation no. 90-02 of 23 February 1990 as amended (“**Lower Tier 2 Capital**”, together with Upper Tier 2 Capital “**Tier 2 Capital**”) and (iii) *fonds propres surcomplémentaires* within the meaning of Article 5ter III of the CRBF Regulation no. 90-02 of 23 February 1990 as amended (“**Tier 3 Capital**”), if such Regulation is applicable.

4 Negative Pledge

So long as any of the Unsubordinated Notes or, if applicable, any Receipts or Coupons relating to them, remain outstanding (as defined below), the relevant Issuer will not, and will ensure that none of its

Principal Subsidiaries (as defined below) will, create or permit to subsist any mortgage, charge, pledge or other Security Interest other than a Permitted Security Interest upon any of its or their respective assets or revenues, present or future, to secure any Relevant Indebtedness (all as defined below) or any guarantee in respect of any Relevant Indebtedness (whether before or after the issue of Unsubordinated Notes) unless such relevant Issuer's obligations under the Unsubordinated Notes, Receipts and Coupons are equally and rateably secured therewith.

For the purposes of this Condition:

 - (a) those that have been redeemed in accordance with the Conditions,

 - (e) in the case of Materialised Notes
 - (i) those mutilated or defaced Materialised Notes that have been surrendered in exchange for replacement Materialised Notes,
 - (ii) (for the purpose only of determining how many such Materialised Notes are outstanding and without prejudice to their status for any other purpose) those Materialised Notes alleged to have been lost, stolen or destroyed and in respect of which replacement Materialised Notes have been issued and
 - (iii) any Temporary Global Certificate to the extent that it shall have been exchanged for one or more Definitive Materialised Notes, pursuant to its provisions;
- (ii) **“Principal Subsidiary”** means at any relevant time a Subsidiary:
 - (a) of Groupe Auchan, whose total net assets or net sales (or, where the Subsidiary in question prepares consolidated accounts, whose total consolidated net assets or consolidated net sales, as the case may be) attributable to Groupe Auchan represent not less than 10 per cent. of the total consolidated net assets or the consolidated net sales of Groupe Auchan, as the case may be, all as calculated by reference to the then latest audited accounts (or consolidated accounts, as the case may be) of such Subsidiary and the then latest audited consolidated accounts of Groupe Auchan and its consolidated subsidiaries; or
 - (b) of Banque Accord, whose total net assets or operating income (or, where the Subsidiary in question prepares consolidated accounts, whose total consolidated net assets or consolidated operating income, as the case may be) attributable to Banque Accord represent not less than 10 per cent. of the total consolidated net assets or the consolidated operating income of Banque Accord, as the case may be, all as calculated by reference to the then latest audited accounts (or consolidated accounts,

- (v) “**Subsidiary**” means, in relation to any person or entity at any time, any other person or entity (whether or not now existing) as defined in Article L.233-1 of the French *Code de Commerce* or any other person or entity controlling directly or indirectly such person or entity within the meaning of Article L.233-3 of the French *Code de Commerce*, except for any person or entity controlled by such other person or entity (the “**Controlling Party**”) severally with a third party (through any arrangement such as a joint-venture agreement) so that such Controlling Party is not in a position to exercise such control solely by itself;
- (vi) “**Relevant Indebtedness**” means any indebtedness for borrowed money, represented by notes (*obligations*) or other assimilated debt securities with a maturity of more than one year which are for the time being, or are capable of being, quoted, listed and admitted to trading or ordinarily dealt in on any stock exchange, over-the-counter-market or other securities market. For the avoidance of doubt, such Relevant Indebtedness does not include indebtedness for borrowed money arising under loan or credit facility agreements.

This Condition 4 shall not apply to Subordinated Notes.

5 Interest and other Calculations

- (a) **Definitions:** In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

“**Business Day**” means:

- (a) the Floating Rate is as specified in the relevant Final Terms; and
- (b) the Floating Rate Determination Date is as specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Agent**”, “**Floating Rate Determination Date**” are translations of the French terms “*Taux Variable*”, “*Agent*” and “*Date de Détermination du Taux Variable*”, respectively, which have the meanings given to those terms in the FBF Definitions.

For the purposes of this sub-paragraph (B), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (i) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity) or

- (ii) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page,

in each case appearing on such Page at the Relevant Time on the Interest Determination Date as disclosed in the relevant Final Terms, plus or minus (as indicated in the relevant Final Terms) the Margin (if any);

- (b) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (a)(i) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (a)(ii) applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent plus or minus (as indicated in the relevant Final Terms) the Margin (if any); and
- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is euro, in the euro-zone as selected by the Calculation Agent (the “**Principal Financial Centre**”) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (x) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (y) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (iv) *Rate of Interest for Index Linked Interest Notes:* The Rate of Interest in respect of Index Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.
- (d) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall, unless otherwise provided in the relevant Final Terms, be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(e)(i)(B)).
- (e) **Dual Currency Notes:** In the case of Dual Currency Notes, if the rate or amount of interest fails to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.
- (f) **Partly Paid Notes:** In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes

and otherwise as specified in the relevant Final Terms.

- (g) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgement) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date.
- (h) **Deferral of interest:** In respect of Banque Accord, payment of interest on Undated Subordinated Notes may be postponed in accordance with applicable French banking laws and regulations and in particular Article 4(c) of Regulation no. 90-02 dated 23 February 1990 of the CRBF as amended from time to time.

In the case of Undated Subordinated Notes issued by any of the Issuers, interest shall be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below) there may be paid (if the relevant Issuer so elects) the interest accrued in the Interest Period ending on the day immediately preceding such date but the relevant Issuer shall not have any obligation to make such payment and any such failure to pay shall not constitute a default under the Notes or for any other purpose. Notice of any Optional Interest Payment Date shall (so long as the rules of the relevant Regulated Market(s) so require) be given to the Noteholders in accordance with Condition 15 and to the relevant Regulated Market(s) on which the Notes are admitted to trading, as the case may be. Such notice shall be given at least seven (7) days prior to the relevant Optional Interest Payment Date(s). Any interest not paid on an Optional Interest Payment Date shall, so long as the same remains unpaid, constitute “**Arrears of Interest**” which term shall include interest on such unpaid interest as referred to below. Arrears of Interest may, at the option of the relevant Issuer, be paid in whole or in part at any time upon the expiration of not less than seven (7) days’ notice to such effect given to the Noteholders in accordance with Condition 15 provided that all Arrears of Interest on all Undated Subordinated Notes outstanding shall become due in full on whichever is the earliest of:

- (i) the Interest Payment Date immediately following the date upon which the *Assemblée Générale* passed a resolution to pay a dividend on the ordinary share capital of the Issuer,
- (ii) the commencement of a liquidation or dissolution of the relevant Issuer, and
- (iii) any redemption date under the relevant Notes

If notice is given by the relevant Issuer of its intention to pay the whole or part of Arrears of Interest, the relevant Issuer shall be obliged to do so upon the expiration of such notice. When Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall (to the extent permitted by law) bear interest accruing (but only, in accordance with Article 1154 of the Civil Code, after such interest has accrued for a period of one (1) year) and compounding on the basis of the exact number of days which have elapsed at the prevailing rate of interest on the Undated Subordinated Notes in respect of each relevant Interest Period. For these purposes the following expressions have the following meanings:

“**Compulsory Interest Payment Date**” means any Interest Payment Date unless at the *Assemblée Générale* of the shareholders of the relevant Issuer immediately preceding such date which was required to approve the annual accounts of the Issuer for the fiscal year ended prior to such *Assemblée Générale*, no resolution was passed to pay a dividend on the ordinary share capital of the Issuer in respect of such previous fiscal year.

“**Optional Interest Payment Date**” means any Interest Payment Date, as the case may be, other than a Compulsory Interest Payment Date.

- (i) **Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:**
- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 5(c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph;
 - (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be;
 - (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “**unit**” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.
- (j) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.
- (k) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts, Early Redemption Amounts and Instalment Amounts:** As soon as practicable after the relevant time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or any Instalment Amount, to be notified to the Fiscal Agent, the relevant Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed and admitted to trading on a Regulated Market and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 9, the accrued interest and the

Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

- (l) **Calculation Agent and Reference Banks:** The relevant Issuer shall procure that there shall at all times be four Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined above). If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the relevant Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the relevant Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid. So long as the Notes are listed and admitted to trading on any Regulated Market and the rules of, or applicable to, that Regulated Market so require, notice of any change of Calculation Agent shall be given in accordance with Condition 15.

6 Redemption, Purchase and Options

- (a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any option provided by the relevant Final Terms including any Issuer's option in accordance with Condition 6(c) or any Noteholders' option in accordance with Condition 6(d), each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within Condition 6(b) below, its final Instalment Amount. Subordinated Notes issued by Banque Accord, the proceeds of which constitute Upper Tier 2 Capital, shall be Undated Subordinated Notes. The Maturity Date in relation to Subordinated Notes issued by Banque Accord the proceeds of which constitute Lower Tier 2 Capital will not be less than five (5) years from the Issue Date and the Maturity Date in relation to Subordinated Notes issued by Banque Accord the proceeds of which constitute Tier 3 Capital will not be less than two (2) years from the Issue Date or, in each case, such other minimum maturity as required from time to time by applicable legal and/or regulatory requirements.
- (b) **Redemption by Instalments:** Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(c) or 6(d), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference

to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Notes, on the due date for such payment or (ii) in the case of Materialised Notes, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

- (c) **Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption:** If a Call Option is specified in the relevant Final Terms, the relevant Issuer may, subject, if such relevant Issuer is Banque Accord, to the prior approval of the *Secrétariat Général* of the *Commission Bancaire* in the case of Subordinated Notes the proceeds of which constitute Tier 2 Capital or Tier 3 Capital and subject to compliance by such relevant Issuer with all the relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 15 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem, or exercise any Issuer's option (as may be described) in relation to, all or, if so provided, some, of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest), if any. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed as specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed as specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, or the relevant Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option in respect of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the numbers of the Definitive Materialised Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and requirements of the Regulated Market on which the Notes are listed and admitted to trading.

In the case of a partial redemption of or a partial exercise of an Issuer's option in respect of Dematerialised Notes of any Series, the redemption may be effected, at the option of the relevant Issuer, either (i) by reducing the nominal amount of all such Dematerialised Notes in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Notes and, in such latter case, the choice between those Dematerialised Notes that will be fully redeemed and those Dematerialised Notes that will not be redeemed shall be made in accordance with Article R.213-16 of the French *Code monétaire et financier* and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and requirements of the Regulated Market on which the Notes are listed and admitted to trading.

So long as the Notes are listed and admitted to trading on a Regulated Market, the relevant Issuer shall, each time there has been a partial redemption of the Notes, cause to be published (i) as long as such Notes are admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and the rules of such Stock Exchange so permit, on the website of the Luxembourg Stock Exchange (www.bourse.lu) or (ii) in a leading newspaper with general circulation in the city where the Regulated Market on which such Notes are listed and admitted to trading is located, which in the case of the Regulated Market of the Luxembourg Stock Exchange is expected to be the *Luxemburger Wort*, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes, a list of any Definitive Materialised Notes drawn for redemption but not surrendered.

- (d) **Redemption at the Option of Noteholders and Exercise of Noteholders' Options:** If a Put Option is specified in the relevant Final Terms, and provided, if the relevant Issuer is Banque Accord, that the relevant Note is not a Subordinated Note the proceeds of which constitute Tier 2 Capital or Tier 3 Capital, the relevant Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than fifteen (15) nor more than thirty (30) days' notice to the relevant Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption including, where applicable, any Arrears of Interest.

To exercise such option or any other Noteholders' option that may be set out in the relevant Final Terms (which must be exercised on an Option Exercise Date) the Noteholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained from any Paying Agent, within the notice period. In the case of Materialised Notes, the Exercise Notice shall have attached to it the relevant Notes (together with all unmatured Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Principal Paying Agent as specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred, may be withdrawn without the prior consent of the relevant Issuer.

- (e) **Early Redemption:**

- (i) *Zero Coupon Notes:*

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(f) or Condition 6(j) or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Nominal Amount (calculated as provided below) of such Note unless otherwise specified in the relevant Final Terms.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(f) or Condition 6(j) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgement) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(d).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction shown in the relevant Final Terms.

- (ii) *Other Notes:* The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(f) or Condition 6(g), or upon it becoming due and payable as provided in Condition 9 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest) unless otherwise specified in the relevant Final Terms.
- (f) **Redemption for Taxation Reasons:**
- (i) If, by reason of any change in, or any change in the official application or interpretation of, French law, becoming effective after the Issue Date, the relevant Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Condition 8 below, the relevant Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, and, in the case of Subordinated Notes issued by Banque Accord the proceeds of which constitute Tier 2 Capital or Tier 3 Capital, subject to the prior approval of the *Secrétariat Général* of the *Commission Bancaire*, redeem all, but not some only, of the Notes at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the relevant Issuer could make payment of principal and interest without withholding for such French taxes.
- (ii) If the relevant Issuer would, on the next payment of principal or interest in respect of the Notes, be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8 below, then the relevant Issuer, shall forthwith give notice of such fact to the Fiscal Agent and the relevant Issuer shall upon giving not less than seven (7) days' prior notice to the Noteholders in accordance with Condition 15, and, in the case of Subordinated Notes issued by Banque Accord the proceeds of which constitute Tier 2 Capital or Tier 3 Capital, subject to the prior approval of the *Secrétariat Général* of the *Commission Bancaire* redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) on
- (A) the latest practicable Interest Payment Date on which the relevant Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the relevant Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) fourteen (14) days after giving notice to the Fiscal Agent as aforesaid or
- (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the relevant Issuer could make payment of the full amount payable in respect of the Notes, or, if applicable, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.
- (g) **Partly Paid Notes:** Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified in the relevant Final Terms.

- (h) **Purchases:** The relevant Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price, subject to applicable laws and/or regulations. In the case of Subordinated Notes issued by Banque Accord, any such purchase will be subject to the prior approval of the *Secrétariat Général* of the *Commission Bancaire* (i) if it relates (individually or when aggregated with any previous purchase(s)) to 10 per cent. or more of the principal amount of the Notes or (ii) if such purchase is made in the context of an *Offre Publique d'Achat* (OPA) (a public purchase offer) or an *Offre Publique d'Echange* (OPE) (a public exchange offer).
- (i) **Cancellation:** All Notes purchased by or on behalf of the relevant Issuer must be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Notes, by surrendering the relevant Temporary Global Certificate or the Definitive Materialised Notes in question together with all unmatured Receipts and Coupons and all unexchanged Talons, if applicable, to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the relevant Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Definitive Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the relevant Issuer in respect of any such Notes shall be discharged.
- (j) **Illegality:** If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, it would become unlawful for the relevant Issuer to perform or comply with one or more of its obligations under the Notes, the relevant Issuer will, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest).

7 Payments and Talons

- (a) **Dematerialised Notes:** Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Dematerialised Notes shall be made (i) in the case of Dematerialised Notes in bearer form or administered registered form, by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the Noteholders and (ii) in the case of Dematerialised Notes in fully registered form, to an account denominated in the relevant currency with a Bank (as defined below) designated by the Noteholders. All payments validly made to such Account Holders or Bank will constitute an effective discharge of the relevant Issuer in respect of such payments.
- (b) **Materialised Notes:** Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Materialised Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Materialised Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the Noteholder, by transfer to an account denominated in such currency with, a Bank and in compliance with applicable U.S.

Treasury regulations.

“**Bank**” means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the relevant Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the relevant Issuer, any adverse tax consequence to the relevant Issuer.
- (d) **Payments subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** as the case may be, any agent such as, but not limited to, the Fiscal Agent, the Paying Agents, the Calculation Agent, the Redenomination Agent and/or the Consolidation Agent shall be appointed in the relevant Final Terms in accordance, if so, with the Agency Agreement, which shall consequently specify their names and addresses. The Fiscal Agent, the Paying Agents, the Redenomination Agent, the Registration Agent and the Consolidation Agent act solely as agents of each Issuer and the Calculation Agent(s) act(s) as independent expert(s) and, in each case such, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuers reserve the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Registration Agent and the Consolidation Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuers shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) Paying Agents having specified offices in at least two major European cities (including Luxembourg so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and, so long as the Notes are admitted to trading on any other Regulated Market, such other city where the Notes are admitted to trading), (v) in the case of Dematerialised Notes in fully registered form, a Registration Agent, (vi) a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive and (vii) such other agents as may be required by the rules of any other Regulated Market on which the Notes may be listed and admitted to trading.

In addition, the Issuers shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 14, the relevant Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 16.

(f) **Unmatured Coupons and Receipts and unexchanged Talons:**

- (i) Unless Materialised Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Materialised Notes should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of ten (10) years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 10).
 - (ii) If Materialised Notes so provide, upon the due date for redemption of any such Materialised Note, unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (iii) Upon the due date for redemption of any Materialised Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
 - (iv) Upon the due date for redemption of any Materialised Note that is redeemable in instalments, all Receipts relating to such Materialised Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (v) Where any Materialised Note that provides that the relative unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any such Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
 - (vi) If the due date for redemption of any Materialised Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, (including, for the avoidance of doubt, any Arrears of Interest if applicable) shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Note. Interest accrued on a Materialised Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Materialised Notes.
- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 10), provided that, in respect of Notes listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange, such exchange shall always take place at the specified office of the Fiscal Agent or of the Paying Agent, as a case may be, in Luxembourg.
- (h) **Non-Business Days:** If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business

day, nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) in such jurisdictions as shall be specified as “**Financial Centre(s)**” in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in euro, which is a TARGET Business Day.

8 Taxation

- (a) **Tax exemption for Notes constituting obligations or debt instruments (*titres de créances*) assimilated thereto for French tax purposes:** Pursuant to article 131 *quater* of the French *Code général des impôts*, as construed by administrative circular no. 5 I-11-98 dated 30 September 1998 and rulings (*rescrits*) no. 2007/59 (FP) dated 8 January 2008 and no. 2009/23 (FP) dated 7 April 2009, all issued by the French tax authorities, payments of interest and other revenues to be made by the Issuer to non French tax residents in respect of Notes constituting obligations or debt instruments (*titres de créances*) assimilated thereto for French tax purposes, benefit from the exemption from the deduction of tax at source provided for under article 125 A III of the French *Code général des impôts*.

The tax regime applicable to Notes which do not constitute obligations or debt instruments (*titres de créances*) assimilated thereto for French tax purposes will be set out in the relevant Final Terms.

- (b) **Additional amounts:** If French law should require that payments of principal or interest in respect of any Note, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever levied by the Republic of France, the relevant Issuer, to the fullest extent then permitted by law, shall pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable or, in relation with the provision (v) below, such additional amounts shall be redeemable, with respect to any Note, Receipt or Coupon, as the case may be:
- (i) **Other connection:** to, or to a third party on behalf of, a Noteholder, the Receiptholder or Couponholder, who is liable to such taxes or duties by reason of his having some connection with the Republic of France other than the mere holding of the Note, Receipt or Coupon; or
 - (ii) **Presentation more than thirty (30) days after the Relevant Date:** in the case of Materialised Notes, more than thirty (30) days after the Relevant Date except to the extent that the Noteholder, the Receiptholder or Couponholder, as the case may be, would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or
 - (iii) **Payment to individuals:** where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council Meeting of 26 and 27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
 - (iv) **Payment by another Paying Agent:** Definitive Materialised Notes presented for payment by or on behalf of a holder who would have been able to avoid such withholding or

deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

- (v) **Tax Credit:** whether the relevant Issuer makes a payment relating to any additional amount (as exposed above) and it is established that:
- i. a Tax Credit is attributable to such a payment; and
 - ii. such Tax Credit has been obtained, utilised and/or retained by the relevant Noteholder(s) or, if applicable, the relevant Receiptholder(s) and the relevant Couponholder(s).

References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts (including, for the avoidance of doubt, all arrears of interest) payable pursuant to Condition 6 or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition.

- (c) **U.S. Taxation:** The discussion above does not address the tax consequences of the purchase, ownership or disposition of an interest in the Notes under United States federal, state or local tax law. Each prospective purchaser should consult its own tax adviser regarding such tax consequences.

9 Events of Default

The Representative (as defined under Condition 11(b)), upon request of any Noteholder, may, upon written notice to the relevant Issuer and the Fiscal Agent given before all defaults shall have been remedied, cause all the Notes held by such Noteholder to become immediately due and payable, whereupon such Notes shall become immediately due and payable at their principal amount, plus accrued interest, without any other formality, if any of the following events (each an “**Event of Default**”) shall occur:

- (a) **Unsubordinated Notes:** In the case of Unsubordinated Notes:
- (i) the relevant Issuer is in default for more than fifteen (15) days for the payment of principal of, or interest on, any Note (including the payment of any additional amounts in accordance with Condition 8 (b)), when the same shall become due and payable; or
 - (ii) the relevant Issuer is in default in the performance of, or compliance with, any of its other obligations under the Notes and such default has not been cured within thirty (30) days after the receipt by the Fiscal Agent of the written notice of such default by a Noteholder; or
 - (iii) if Relevant Indebtedness (as defined in Article 4 (“**Negative Pledge**”)) of the relevant Issuer, for borrowed money in excess of Euro 75,000,000 (or its equivalent in any other currency) shall become due and payable prior to its stated maturity as a result of a default thereunder, or any such Relevant Indebtedness shall not be paid when due or, as the case may be, within any applicable grace period (as originally agreed) therefor or any steps shall have been taken to enforce any security in respect of any such Relevant Indebtedness or any guarantee or indemnity given by the relevant Issuer for, or in respect of, any such Relevant Indebtedness of others shall not be honoured when due and called upon; or
 - (iv) if the relevant Issuer, makes any proposal for a general moratorium in relation to its debt or has applied to enter into a conciliation procedure (*procédure de conciliation*) or into a safeguard procedure (*procédure de sauvegarde*), or a judgement is issued for reorganisation

proceedings (*plan de redressement judiciaire*) or for the the judicial liquidation (*liquidation judiciaire*).

- (b) **Subordinated Notes:** In the case of Subordinated Notes and in accordance with Condition 3(b), if any judgement shall be issued for the judicial liquidation (*liquidation judiciaire*) of the relevant Issuer or if the relevant Issuer is liquidated for any other reason then the Subordinated Notes shall become immediately due and payable, in accordance with Condition 4(b), at their principal amount together with any accrued interest to the date of payment without any further formality.

10 Prescription

Claims against the relevant Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

11 Representation of Noteholders

Except as otherwise provided by the relevant Final Terms, Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a masse (in each case, the “**Masse**”).

The Masse will be governed by the provisions of the French *Code de commerce* applicable to the Masse (with the exception of Articles L.228-48, L.228-59, R.228-63, R.228-67 and R.228-69), subject to the following provisions:

(a) Legal Personality

The Masse will be a separate legal entity and will act in part through a representative (the “**Representative**”) and in part through a general meeting of the Noteholders (the “**General Meeting**”).

The Masse alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(b) Representative

The office of Representative may be conferred on a person of any nationality who agrees to perform such function. However, the following persons may not be chosen as Representatives:

- (i) the relevant Issuer, in respect of Banque Accord, the members of its Board of Directors (*Conseil d’administration*), in respect of Groupe Auchan, the members of its Management Board (*Directoire*) and of its Supervisory Board (*Conseil de surveillance*), its general managers (*directeurs généraux*), its statutory auditors, or its employees as well as their ascendants, descendants and spouses; or
- (ii) companies guaranteeing all or part of the obligations of the relevant Issuer, their respective managers (*gérants*), general managers (*directeurs généraux*), members of their Board of Directors (*Conseil d’administration*), of their Management Board (*Directoire*) and of their Supervisory Board (*Conseil de surveillance*), their statutory auditors, or employees as well as their ascendants, descendants and spouse; or
- (iii) companies holding 10 per cent. or more of the share capital of the relevant Issuer or companies having 10 per cent. or more of their share capital held by the relevant Issuer; or

(iv) persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The names and addresses of the initial Representative of the Masse and its alternate will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all Tranches in such Series.

The Representative will be entitled to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by another Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the Representative and the alternate Representative at the head office of the relevant Issuer and the specified offices of any of the Paying Agents.

(c) **Powers of the Representative**

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

The Representative may not interfere in the management of the affairs of the Issuer.

(d) **General Meeting**

A General Meeting may be held at any time, on convocation either by the relevant Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the relevant Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two (2) months after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

15 Change of Control

Increase of the applicable Rate of Interest following a Rating Downgrade resulting from a Change of Control:

(i) **Rate of Interest Increase Event** – Each year while any Note remains outstanding and no later than two weeks after the filing of its annual accounts with the Registrar of the Court of Commerce, the Issuer shall notify the Representative of the Noteholders (*représentant de la Masse*) in writing (the “**Annual Notification**”) of any Change of Control that may have occurred in the previous twelve months.

(ii) A “**Change of Control**” shall be deemed to occur if (whether or not approved by the Management Board or Supervisory Board of the relevant Issuer) any person or any group of persons acting in concert belonging to (i) the Association Familiale Mulliez and/or (ii) one or more entities whose interests or shares are owned, directly or indirectly, by any member of the Association Familiale Mulliez cease to hold together, directly or indirectly, at least 50.1 per cent. of the total voting rights or of the issued ordinary share capital of the relevant Issuer (or in the event of a merger or an acquisition, its successor company).

(iii) **Increased Interest Rate** – In the event that a Rating Downgrade occurs at any time during the 90 days following the Annual Notification, and the relevant Rating Agency publicly announces, or confirms in writing to the Issuer, that such Rating Downgrade results, in whole or in part, from the Change of Control that has occurred, then, the Rate of Interest will be increased in accordance with the table set out in the relevant Final Terms.

Such increased Rate of Interest shall apply as from and including the date (the “**Rate of Interest Increase Date**”) that is the later of:

- (i) the date of the Change of Control; and

(ii) the date of announcement of such Rating Downgrade,

for the remainder of the Interest Period in which the Rate of Interest Increase Date occurs and following this announcement (the interest payable in respect of such Interest Period being calculated on a pro rata basis by applying the Day Count Fraction) and for all subsequent Interest Periods until the redemption of such Note.

The Issuer shall forthwith give notice to the Fiscal Agent of such increase in the Rate of Interest and shall notify the Noteholders thereof immediately in accordance with Condition 16 “Notices”.

The Rate of Interest payable on the Notes will only be subject to adjustment as provided in this Condition upon the first occurrence of a Change of Control or Rating Downgrade and there shall be no further adjustments to the Rate of Interest upon the occurrence of any subsequent upwards or downwards change in rating.

A “**Rating Downgrade**” shall be deemed to have occurred in respect of a Change of Control if the rating previously assigned to the Notes by any Rating Agency is (i) withdrawn or (ii) changed from an investment grade rating (BBB-/Baa3, or their respective equivalents for the time being, or better) to a non-investment grade rating (BB+/Ba1, or their respective equivalents for the time being, or worse) or (iii) if the rating previously assigned to the Notes by any Rating Agency was below an investment grade rating (as described above), lowered by at least one full rating notch (for example, from BB+/Ba1 to BB/Ba2 or their respective equivalents), provided that a Rating Downgrade otherwise arising by virtue of a particular change in rating shall be deemed not to have occurred in respect of a particular Change of Control if the Rating Agency making the change in rating does not publicly announce or confirm that the reduction was the result, in whole or part, of any event or circumstance comprised in or arising as a result of, or in respect of, the applicable Change of Control.

In the event that the Notes are rated by more than one Rating Agency, the rating to be taken into account to determine if a Rating Downgrade has occurred shall be the lower rating assigned by any of such Rating Agencies.

If any rating of the Issuer's Notes is assigned by any Rating Agency or Rating Agencies other than or in addition to Moody's and/or S&P, the ratings in the above table shall be construed as if it referred to the equivalent ratings of such other or additional Rating Agency or Rating Agencies.

In the event that the Issuer's Notes cease at any time to have a rating assigned to them by at least one Rating Agency, the Issuer shall use its best endeavours to obtain a rating of its Notes from a Rating Agency as soon as practicable.

“**Rating Agency**” means S&P, as the case may be, or any rating organisation generally recognised by banks, securities houses and investors in the euro-markets provided that references herein to a Rating Agency shall only be to such Rating Agency as shall have been appointed by or on behalf of the Issuer to maintain a Rating and shall not extend to any such Rating Agency providing rating on an unsolicited basis

EU Savings Directive

On 3 June 2003, the Council of the European Union (“EU”) adopted directive 2003/48/EC on taxation of savings income in the form of interest payments (“EU Savings Directive”). The EU Savings Directive is, in principle, applied by Member States as from 1 July 2005 and has been implemented in Luxembourg by the laws of 21 June 2005 (the “Laws of 21 June 2005”). Under the EU Savings Directive, each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income within the meaning of the EU Savings Directive paid by a paying agent within the meaning of the EU Savings Directive established within such Member State, to an individual resident or certain types of entities called “residual entities” (“Residual Entities”), within the meaning of the EU Savings Directive (i.e. entities without legal personality whose profits are not taxed under the general arrangements for the business taxation and that are not, or have not opted to be considered as, a UCITS recognised in accordance with EC Directive 85/611/EEC) established in that other Member State (or certain dependent or associated territories). For a transitional period, however, Austria, Belgium and Luxembourg are permitted to apply an optional information reporting system whereby if a beneficial owner, within the meaning of the EU Savings Directive, does not comply with one of two procedures for information reporting, the relevant Member State will levy a withholding tax on payments to such beneficial owner. The withholding tax system will apply for a transitional period during which the rate of the withholding will be of 20% from 1 July 2008 to 30 June 2011 and 35% as from 1 July 2011. The transitional period is to terminate at the end of first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments. See “Council Directive 2003/48/EC on Taxation of Savings Income in the Form of Interest Payments”.

Also with effect from 1 July 2005, a number of non-EU countries and certain dependent or associated territories have agreed to adopt similar measures (either provision of information or transitional withholding) in relation to payments made by a paying agent (within the meaning of the EU Savings Directive) established within such countries or territories to, or collected by such a paying agent for, an individual resident or a Residual Entity established in a Member State. In addition, Luxembourg and some other Member States have entered into reciprocal provision of information or transitional withholding agreements (the “Agreements”) with certain of the dependent or associated territories (Aruba, British Virgin Islands, Guernsey, Isle of Man, Jersey, Montserrat, and Netherlands Antilles) in relation to payments made by a paying agent established in a Member State to, or collected by such a paying agent for, an individual resident or a Residual Entity established in one of those territories.

On 15 September 2008 the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the European Commission's advice on the need for changes to the Directive. On 13 November 2008 the European Commission published a more detailed proposal for amendments to the Directive, which included a number of suggested changes. If any of those proposed changes are made in relation to the Directive, they may amend or broaden the scope of the requirements described above.

For French tax purposes, this Directive has been implemented into French law under Article 242 ter of the French Code général des impôts (General tax code) and 49 I ter to 49 I sexies of the Schedule III to the Code général des impôts (General tax code).

France

The EU Savings Directive was implemented into French law under article 242 ter of the French Code Général des Impôts, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the

different categories of interest paid to that beneficial owner. These reporting obligations have entered into force with respect to interest payments made on or after 1 July 2005.

Payments of interest and other revenues with respect to Notes which are issued or deemed to be issued by the Issuer outside the Republic of France benefit from the exemption from deduction of tax at source on interest set out under Article 125 A III of the French Code Général des Impôts, as provided for in Article 131 quater of the French Code Général des Impôts. Accordingly, such payments do not give the right to any tax credit from any French source.

Notes constituting, or considered by the French tax authorities as falling into a similar category to, obligations under French law will be issued (or deemed to be issued) outside France within the meaning of Article 131 quater of the French Code Général des Impôts as more fully set out in the published guidelines of the Direction Générale des Impôts (Instruction 5 I-11-98 dated 30 September 1998, Rescrit n° 2007/59 (FP) dated 8 January 2008 and Rescrit n°2009/23 (FP) dated 7 April 2009).

The French tax regime applicable to Notes which do not constitute obligations under French law nor titres de créances négociables or debt instruments assimilated thereto within the meaning of the rulings 2007/59 (FP) dated 8 January 2008 and 2009/23 (FP) dated 7 April 2009 of the Direction générale des impôts will be set out in the relevant Final Terms.

See “Terms and Conditions of the Notes – Taxation”.

Luxembourg

The following is a general description of certain Luxembourg tax considerations relating to the Notes. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in Luxembourg or elsewhere. Prospective purchasers of the Notes should consult their own tax advisers as to which countries tax laws could be relevant to acquiring, holding and disposing of the Notes and receiving payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of Luxembourg. This summary is based upon the law as in effect on the date of this Prospectus. The information contained within this section is limited to withholding tax issues, and prospective investors should not apply any information set out below to other areas, including (but not limited to) the legality of transactions involving the Notes.

The EU Savings Directive and the Agreements have been implemented in Luxembourg by the Laws dated 21 June 2005.

Withholding tax

All payments of interest and principal by the Issuer in the context of the holding, disposal, redemption or repurchase of the Notes can be made free and clear of any withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein, in accordance with the applicable Luxembourg law, subject however to:

- (i) the application of the Luxembourg Laws of 21 June 2005 implementing the EU Savings Directive as well as the Agreements and providing for the possible application of a withholding tax (of 20 per cent. from 1 July 2008 to 30 June 2011 and 35 per cent. as from 1 July 2011) on interest paid to certain non Luxembourg resident investors (individuals and Residual Entities) (see, paragraph “EU Savings Directive” above, which may be applicable in the event of the Issuer appointing a paying agent in Luxembourg within the meaning of the EU Savings Directive or Agreements);
- (ii) the application as regards Luxembourg resident individuals of the Luxembourg law of 23 December 2005 which has introduced a 10 per cent. withholding tax on certain interest payments (i.e. with certain exemptions, interest payments within the meaning of the

Luxembourg Laws of 21 June 2005 implementing the EU Savings Directive and the Agreements). This law applies to interest payments accrued as from 1 July 2005 and paid as from 1 January 2006. Further and pursuant to the Luxembourg law of 17 July 2008, Luxembourg resident individuals who are the beneficial owners of interest payments and other similar income made by a paying agent established outside Luxembourg in a Member State of the European Union or of the European Economic Area or in a jurisdiction having concluded an agreement with Luxembourg in connection with the EU Savings Directive, may also opt for a 10% levy. In such case, the 10% levy is calculated on the same amounts as for the payments made by Luxembourg resident paying agents. The option for the 10% levy must cover all interest payments made by the paying agent to the Luxembourg resident beneficial owner during the entire civil year. For Luxembourg resident individuals acting in the course of the management of their private wealth, the 10% levy is final whether such withholding tax is levied on a mandatory basis by a Luxembourg paying agent or levied at the option of such Luxembourg resident individual.

Responsibility for the withholding of tax in application of the above-mentioned Luxembourg Laws of 21 June 2005 and the law of 23 December 2005 is assumed by the Luxembourg paying agent within the meaning of these laws.

SUBSCRIPTION AND SALE

Summary of Dealer Agreement

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated to be signed between the issuers and the Dealers (as amended or supplemented from time to time, the “**Dealer Agreement**”) between Groupe Auchan, Banque Accord and the Permanent Dealers, the Notes will be offered on a continuous basis to the Permanent Dealers. However, each Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the relevant Issuer through the Dealers, acting as agents of such Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The relevant Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it unless otherwise agreed. Groupe Auchan and Banque Accord have agreed to reimburse the Dealers as agreed between the relevant Issuer and the Dealers in the Amended and Restated dealer Agreement to be signed between the issuers and the Dealers. The commissions in respect of an issue of Notes on a syndicated basis will be stated in the relevant Final Terms.

Groupe Auchan and Banque Accord have agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealers have agreed to indemnify the Issuer against certain liabilities in connection with the offer and the sales of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the relevant Issuer.

Selling Restrictions

France

Each of the Dealers and, as the case may be, each of the additional Dealers appointed under the Programme has represented and agreed, that it has not offered or sold and will not offer or sell, directly or indirectly, any Notes to the public in France and it has not distributed or caused to be distributed and will not distribute or cause to be distributed to the public in France, the Base Prospectus, the relevant Final Terms or any other offering material relating to the Notes and such offers, sales and distributions have been and will be made in France only to (i) providers of investment services relating to portfolio management for the account of third parties (personnes fournissant le service d'investissement de gestion de portefeuille pour compte de tiers) and/or (ii) qualified investors (*investisseurs qualifiés*), all as defined in, and in accordance with, Articles L.411-2, D.411-1 to D.411-3 of the French Code monétaire et financier.

This Base Prospectus, prepared in connection with the Notes to be issued under the Programme, has not been submitted to the clearance procedure of the French financial markets authority (Autorité des Marchés Financiers).

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the Final Terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a "**Non-Exempt Offer**"), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the Final Terms contemplating such Non-Exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or Final Terms, as applicable;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000; and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts;
- (d) at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (e) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (a) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of Notes to the public**" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression "**Prospectus Directive**" means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

United States

The Notes have not been and will not be registered under the Securities Act of 1933 as amended. Under U.S. regulations, the Notes may not be offered or sold directly or indirectly within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act ("**Regulation S**").

Materialised Notes having a maturity of more than one (1) year are subject to U.S. federal income tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that, except as permitted by the Dealer Agreement, it will not offer, sell or, in the case of Materialised Notes, deliver the Notes of any identifiable Tranche, (i) as part of their distribution at any time or (ii) otherwise until forty (40) days after completion of the distribution of such Tranche as determined, and certified to the relevant Issuer, by the Fiscal Agent, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S.

The Notes are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S.

In addition, until forty (40) days after the commencement of the offering of any identifiable Tranche of Notes, an offer or sale of Notes within the United States by any Dealer (whether or not participating in the offering of such Tranche of Notes) may violate the registration requirements of the Securities Act.

This Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. This Prospectus does not constitute an offer to any person in the United States. Distribution of this Prospectus by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States is unauthorised and any disclosure without prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States, is prohibited.

- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the relevant Issuer; and
- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to such Notes in, from or otherwise involving the United Kingdom.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Law of Japan (Law No. 25 of 1948, as amended) (the “Financial Instruments and Exchange Law”). Accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, a resident of Japan, or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, a resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with the Financial Instruments and Exchange Law and other relevant laws and regulations of Japan. As used in this paragraph, “resident of Japan” means any person resident in Japan, including any corporation or other entity organised under the laws of Japan.

exempted from the rules on public offerings pursuant to Article 100 of the Financial Services Act and Regulation No. 11971.

Any offer, sale or delivery of the Notes or distribution of copies of this Base Prospectus or any other document relating to the Notes in the Republic of Italy under (i) or (ii) above must be: (a) made by an investment firm, bank or financial intermediary permitted to conduct such activities in the Republic of Italy in accordance with the Financial Services Act, CONSOB Regulation No. 16190 of 29th October, 2007 (as amended from time to time) and Legislative Decree No. 385 of 1st September, 1993, as amended (the “Banking Act”); and (b) in compliance with the Banking Act, as amended, and the implementing guidelines of the Bank of Italy, as amended from time to time, pursuant to which the Bank of Italy may request information on the issue or the offer of securities in the Republic of Italy; and (c) in compliance with any other applicable laws and regulations or requirement imposed by CONSOB or any other Italian authority.

Please note that in accordance with Article 100-bis of the Financial Services Act, where no exemption from the rules on public offerings applies under (i) and (ii) above, the subsequent distribution of the Notes on the secondary market in Italy must be made in compliance with the public offer and the prospectus requirement rules provided under the Financial Services Act and Regulation No. 11971. Failure to comply with such rules may result in the sale of such Notes being declared null and void and in the liability of the intermediary transferring the financial instruments for any damages suffered by the investors.

General

These selling restrictions may be modified by the agreement of the Issuers and the Dealers in particular following a change in a relevant law, regulation or directive. Any such modification or supplement will be set out in the Final Terms issued in respect of the issue of Notes to which it relates or in a supplement to this Prospectus.

No action has been taken in any jurisdiction that would permit an offer to the public of any of the Notes, or possession or distribution of the Prospectus or any other offering material or any Final Terms, in any country or jurisdiction where action for that purpose is required.

Each Dealer has agreed that it will, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Prospectus, any other offering material or any Final Terms and neither any of the Issuers nor any other Dealer shall have responsibility therefor.

Each of the Dealers and the Issuers has represented and agreed that Materialised Notes may only be issued outside France.
